

*Dear Donald Trump, Mitch McConnell,
and Kevin McCarthy:*

You and your Republican colleagues claim to be so-called “pro-life.”
We have a different word for it. We call it hypocrisy.

You cannot claim to be “pro-life” when you’re actively:

- ✗ Taking babies away from their parents and putting them in cages, with no plan to reunite them.
- ✗ Making pregnancy a pre-existing condition.
- ✗ Cutting programs that feed hungry kids.
- ✗ Denying health care coverage to LGBTQ and disabled people.
- ✗ Standing by while the maternal mortality rate skyrocketed and women—especially black women—died in childbirth.
- ✗ Forcing families to drink poisoned water for years.

*From those of us standing with
women and families,*
