Congresswoman Kathy Castor is leading the fight to lower health care costs and expand access to care.

Kathy Castor believes everyone deserves access to affordable health care.

That's why she worked to expand at-home care, protect Medicare and make sure sick kids can get life-saving treatment.

And Kathy will always protect women's reproductive freedom.

“

You shouldn't have to choose between groceries and health coverage. I'm a tireless champion for accessible, affordable health care, and I'm not stopping now."

—Kathy
