A doctor's job is **"first do no harm."** Two candidates don't pass the test.

X Ashley Hinson voted for Iowa's strictest-in-the-nation abortion ban and co-sponsored a national abortion ban with no exceptions for rape, incest, or life of the woman.¹

X Thomas Laehn said "the overthrow of Roe v. Wade was just right." He describes himself as "radically" anti-abortion.²

Hinson and Laehn are wrong on health care, and wrong for Iowa.

Josh Turek has been fighting health care battles his entire life.

Turek is the only candidate who supports making the right to have an abortion protected law.³

Families deserve the dignity to make their personal, private health care decisions without government overreach or interference. **No one understands that better than Josh Turek.**
